## 2016 Greetings from Equine Life Solutions, Home of ELS Stables:

As Owner and Director of Equine Life Solutions, it is my pleasure to invite our "ELS Students" ages 7-12 to join our herd for 2016 Summer Camps at our beautiful Holly Farm facility.

This year, ELS Instructors foster confidence in the young riders' ability to understand and work in partnership - safely - with their equine friend. By combining knowledge, patience and a passion for horses, the campers will increase their skills in riding and handling horses from the ground to riding.
